## Education

Fall 2015 - Present Evanston, IL	Northwestern University '19 <i>B.A. Cognitive Science Segal Design Certificate GPA: 3.8/4.0</i>
Fall 2012 - Spring 2015 Carpinteria, CA	Cate School '15 <i>Graduated with honors, Cum Laude</i>

## Work Experience

Summer 2018 Seoul, Korea	NC SOFT <i>Intern, Conducted market research on SNS trends and mobile applications that utilized AI services and pertained to baseball to improve the PAIGE mobile application -- an application for fans in Korea to access information regarding baseball. Identified findings from user's behavior, perspective, and needs, and established approaches in different applications and trends that satisfied such characteristics.</i>
Fall 2017 - Spring 2018 Evanston, IL	Delta Lab <i>Research Assistant, Worked alongside professors and graduate students, prototyping and testing service designs to find design principles to conduct a successful deliberation. Focused on the effectiveness of visual cues by experimenting with visual aids such as power points to guide participants to better understand the process of the deliberation.</i>

## Extracurricular Activities

Fall 2017 Evanston, IL	Philharmonia <i>Member, Cellist, Quarterly Performances</i>
Fall 2016 - Present Evanston, IL	Korean Association at Northwestern University <i>Executive Member, Treasurer (2017-Present), Collected and disbursed club's assets and kept track of financial report.</i> <i>Executive Member, Social Chair (2016-2017), Arranged events for the Korean community to interact with one another and with students from other cultural clubs/schools in the Chicago area. Events included bowling competition, spring barbecue on a rooftop, and social events with University of Chicago and SAIC.</i>
Fall 2015 - Present Evanston, IL	Fusion Dance Company <i>Member, Choreographer, Attended weekly rehearsals leading up to two performances for 2000+ audiences. Collaborated with other students to choreograph for two shows, working with 40+ dancers.</i>
